## Arch to Freedom

The Steps the way of the early AAs

4. Made a list of all our personal defects  
of ourselves  
5. Admitted our wrongs, to ourselves, and to another human being the exact nature of our wrongs.  
6. Were entirely ready to have God remove all these defects of character  
7. Humbly asked Him to send us His natural strength and will  
8. Made a list of all persons whom we had harmed, and became willing to make amends to such people wherever possible,  
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.  
10. Continued to take personal inventory and when we were wrong, promptly admitted it.  
11. Sought through prayer and the use of a sponsor our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
